

2012 National Safety Stand Down, Part 1 of 2

This year's FFASTeam Safety Standdown focuses on areas that account for the majority of general aviation fatal accidents:

Directions: From US 41 first traffic light north of University Pky. Go East on Gen. Spaatz Blvd. Make first left, cross Bradenton By Pass. Building is single story metal building down and to the right.

A message from the National FFASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
